Welcome!

The Westmore Association (WA) supports stewardship, communication, and community engagement centered around Westmore's Willoughby Lake—one of Vermont's most iconic and pristine natural destinations—in the heart of the Northeast Kingdom.

We believe that strong communities are built through shared values and welcome year-round and seasonal residents, as well as visitors new and returning. By joining the Westmore Association, together we can continue to protect what makes the town of Westmore and Willoughby Lake so extraordinary, ensuring its long-term vitality.

Annual Membership directly supports;

(Please feel free to check your area of interest.)

- Maintaining and improving hiking trails and the Willoughby Lake shoreline
- Monitoring the lake's water quality through milfoil control and the Greeter Program
- Sponsoring family-friendly events
- Supporting beautification effort
- Providing scholarships for area students

We invite you to join us, and be part of this shared stewardship committed to the environmental health and beauty of the Willoughby Lake area. As a member, you will receive a free issue of our bi-annual newsletter Reflections, and be the first to know about our community events and activities.
